## Maximize your impact!

The Coalition Resale Shops began as a Saturday yard sale and have grown to include four unique thrift stores open five days a week. Goods received from the community are sorted according to need and distributed to clients or the appropriate store to be sold. Revenues generated from sales at The Resale Shops are imperative to continuing Coalition services to families in need.

The Shops success is dependent on support received from the community. Each year our Donation Center receives over 30,000 bags & boxes of donations! Volunteers carefully inspect each item before distribution. We do not distribute any item we would not be willing to wear or use.

Ensuring your items meet our guidelines saves valuable time and helps make the most of your donation!

### We request that all donated items:

- Be clean and in good repair
- Have all closures present and working properly
- Be packaged in containers weighing less than 30 pounds
- Be in working order and able to be tested onsite

Thank you for your support! These guidelines help make the most of our volunteer's time spent on behalf of the Coalition. Visit our website at [www.sandhillscoalition.org](http://www.sandhillscoalition.org) to download a brochure of our complete donation guidelines.

*"There is something for everyone at a great price at the Coalition Resale Shops! Plus you're always greeted by friendly, helpful folks. It's a win-win!"*
