

# COALITION EDITION

The New Year is finally here and we are looking forward to the changes it will hopefully bring in regards to the COVID19 pandemic. The Coalition will also experience some significant changes this year!

With many of our dedicated volunteers not yet comfortable returning to volunteer service, the Coalition continues to operate on alternating days at each campus. **Client Services is open for residents in need of assistance on Monday, Wednesday, and Friday from 8:30-11:00 am.** Staff is onsite during these days until 4:00 pm for other business. **The Coalition Resale Shops are open for shopping and donation drop off on Tuesday and Thursday from 10:00 am until 4:00 pm and Saturday from 9:00 am until 12:00 pm.** We recognize these hours may be difficult to remember, but our website and automated phone system are always up to date. We appreciate everyone respecting these times at each location as our staff continues to work to ensure smooth operations.

Our Board of Directors is currently in the midst of a search for the Coalition's next Executive Director. I have been honored to serve for the past ten years and have been overwhelmed with the kind words and well wishes received since my announcement to pursue new professional opportunities. I am confident you will provide an equally warm welcome to my successor when announced!

Thank you seems inadequate for those who supported our cause during 2020. It was certainly a year like no other and we are more grateful than ever for our generous community. We are looking forward to welcoming back many of our volunteers, supporters, donors and shoppers in the coming year as we are hopefully able to resume more "normal" operations!

Wishing you a safe and healthy 2021!
