

Food for Seniors

In Moore County there are more than 5,000 seniors over the age of 65 who live below the poverty line and have food insecurity. The Coalition has partnered with the local food bank to provide a box of food per month for seniors that qualify for the program. Our goal is to provide an additional box of food from the Coalition that includes fresh produce. We just started this program in July and we hope to see it grow dramatically in the coming months.

Seniors can contact the Coalition Client Services office at info@sandhillscoalition.org to enroll in the program or just give us a call at 910-693-1600.

The Coalition welcomes non-perishable food donations at both our locations during the operating hours noted. A complete list of standard non-perishable items is available at www.sandhillscoalition.org.

The Coalition Team

Ashley Keith, Operations Manager, is leaving the Coalition, for an opportunity in Chapel Hill. Her final day is July 23rd. Ashley has been a great blessing to the Coalition for almost five years now and she will be missed!

We welcome Laura Rastl to the Client Services team. She is our new administrative assistant. Laura has volunteered at client services since August of 2019 and we are excited to add her to the team.
